

STEPHANIE W. HAAS

School of Information and Library Science
CB# 3360, 100 Manning Hall
University of North Carolina at Chapel Hill
Chapel Hill, NC 27599-3360
(919) 962-8360
shaas@email.unc.edu
<http://ils.unc.edu/~stephani/>

EDUCATION

- 1989 PhD University of Pittsburgh, Pittsburgh, Pennsylvania. Information Science.
Dissertation: *Case Hierarchy Based Representations and Procedures for Domain Analysis and the Construction and Porting of Natural Language Interfaces*. 168 pages.
- 1982 MALS Wesleyan University, Middletown, Connecticut.
Master of Arts in Liberal Studies in Arts and Literature.
- 1977 BS University of Connecticut, Storrs, Connecticut. School of Education.
Major: Music; Minor: Education.

PROFESSIONAL EXPERIENCE

- 1989-present Professor, School of Information and Library Science, University of North Carolina at Chapel Hill. (Assistant Professor, 1989-1995, Associate Professor, 1995-2006, McColl Professor 2005- 2007, Professor, 2006-present.)
Courses include: Information Models, Database I, Database II, Systems Analysis, Applications of Natural Language Processing, Information Retrieval, Web Databases.
- 1985-1989 Research Assistant, The University of Pittsburgh, 1985-1989. “Natural Language Parser for Information Retrieval”, Douglas P. Metzler, P. I.
Teaching Fellow, The University of Pittsburgh, 1986-1989.
Graduate Student Assistant, The University of Pittsburgh 1985.
- 1978-1984 Elementary and Middle School Music Teacher, Connecticut and New York.

HONORS

- 2006 Outstanding Teaching Award, School of Information and Library Science, University of North Carolina at Chapel Hill.
- 2005 Francis Carroll McColl Term Professor, 2005 – 2007.
Research Fellow, Graduate School of Library and Information Science, University of Illinois at Urbana-Champaign, August 16, 2005 – August 15, 2007.

- 2002 Best Overall Poster Award for "ICD-9-CM Clusters for Emergency Medicine" (with Travers, Waller & Tintinalli). Seventh Annual Emergency Medicine Research Forum, Department of Emergency Medicine, UNC-CH, April 17, 2002.
- 1997 Outstanding Teaching Award, School of Information and Library Science, University of North Carolina at Chapel Hill.
- 1996 Outstanding Information Science Teacher of the Year, American Society for Information Science.
- 1989 Best Paper of ACM SIGIR '89 (one of six awards, with Metzler).
- 1988 American Society for Information Science/Institute for Scientific Information Doctoral Dissertation Scholarship

RESEARCH GRANTS AND CONTRACTS RECEIVED

Centers for Disease Control and Prevention, "Modeling Communication Links Among Public Health Emergency Preparedness Officials in North Carolina using Social Network Analysis: A Pilot Study"

Principal Investigator: Stephanie W. Haas
 Total: \$19,723
 Period: May 11, 2009 – January 31, 2010

Centers for Disease Control and Prevention, "Public Health Surveillance Systems"

Principal Investigators: Anna Waller and Pia MacDonald
 Total: \$1,299,095 (direct only) (Haas, 10% effort)
 Period: September, 2008 - August 2013

University of North Carolina at Chapel Hill School of Public Health Gillings Innovation Lab, "Innovative Disease Surveillance Methods"

Principal Investigator: David Richardson
 Total: \$564,592, (Haas, 10% effort)
 Period: September, 2008 – August 2010

University of North Carolina at Chapel Hill Research Council, "Temporal Event Analysis of Emergency Department Chief Complaint and Triage Note"

Principal Investigator: Stephanie W. Haas
 Total: \$4,860
 Period: December 1, 2007 – November 30, 2009

National Library of Medicine, "Chief Complaint Symposium"

Principal Investigator: Stephanie W. Haas
 Total: \$17,591 (Haas, 10% effort)
 Period: September 30, 2005 – September 29, 2006

Bureau of Labor Statistics, “Improving BLS Website Functionality and Usability” (research contract)

Principal Investigator: Gary Marchionini; Co-PI: Stephanie W. Haas
Total: \$50,000 (Haas, 1 month summer salary)
Period: September 2004 – August 2005

Bureau of Labor Statistics, “Clustering Techniques and Tools for Improving BLS Website Usability.” (research contract)

Principal Investigator: Gary Marchionini; Co-PI: Stephanie W. Haas
Total: \$50,000 (Haas, 1 month summer salary)
Period: September 2003 – August 2004

U. S. Census Bureau, “Discovering Organizational Structure in the Census Website” (research contract)

Principal Investigator: Gary Marchionini; Co-PI: Stephanie W. Haas
Total: \$50,000 (Haas, 1 month summer salary)
Period: August 2003 – September 2004

Bureau of Labor Statistics, “Improving Indexes and other Content Lists of the Bureau of Labor Statistics Website.” (research contract)

Principal Investigator: Gary Marchionini; Co-PI: Stephanie W. Haas
Total: \$50,000 (Haas, 1 month summer salary)
Period: September 2002 – August 2003

North Carolina Division of Public Health, “Developing a Controlled Vocabulary for Emergency Department Chief Complaints Related to Bioterrorism” (part of The North Carolina Bioterrorism and Emerging Infections Prevention System (NC BEIPS) and the North Carolina Emergency Department Database (NCEDD))

Principal Investigator: Anna Waller
Total: \$2,000,000 (Haas, 15% effort)
Period: August 2002 – July 2005

National Science Foundation, “Integration of Data and Interfaces to Enhance Human Understanding of Government Statistics: Toward the National Statistical Knowledge Network”

Principal Investigator: Gary Marchionini; Co-PI: Stephanie W. Haas
Total 1,300,000 (Haas, 1 month summer salary)
Period: July, 2002 – June, 2005

Bureau of Labor Statistics, “Phrase Templates for BLS Data: Identifying Common Patterns in Information Requests” (research contract)

Principal Investigator: Stephanie W. Haas
Total: \$14,725
Period: March 2001 – February 2002

Bureau of Labor Statistics, “Terminology Crosswalks for LABSTAT” (research contract)

Principal Investigator: Stephanie W. Haas
Total: \$18,560
Period: February 2000 – January 2001

James A. Baker III for Public Policy, Rice University, “Presidential Appointments Project”
Principal Investigator: Stephanie W. Haas
Total: \$9,003
Period: September 1999 – January 2000

Pew Charitable Trusts, “White House Transition Project: Presidential Appointment Program”
Principal Investigator: Martha J. Kumar
Total: \$176,010 (Haas, 15% effort)
Period: February 1999 – January 2001

Bureau of Labor Statistics, “Investigation into the Requirements and Structure of a Knowledge Organization for BLS Published Information” (research contract)
Principal Investigator: Stephanie W. Haas
Total: \$22,680
Period: September 1998 – August 1999

University of North Carolina at Chapel Hill Instructional Technology Award, “Evaluation of an Internet Multimedia Studio”
Principal Investigator: Bert J. Dempsey; Co-PIs: Stephanie W. Haas, Diane Sonnenwald, Helen R. Tibbo
Total: \$58,817
Period: Spring 1997

University of North Carolina at Chapel Hill Junior Faculty Development Award (IBM Fund Award), “The Use of Words and Word Senses in Sublanguages and Specific Text Formats”
Principal Investigator: Stephanie W. Haas
Total \$3,000
Period: October 1990 – September 1991

University of North Carolina at Chapel Hill Research Council, “The Influence of Sublanguages and Text Formats on the Use of Words and Word Senses”.
Principal Investigator: Stephanie W. Haas
Total: \$1,405
Period: November 1990 – October 1991
